Gary and Mike are going to be at the Red Sox Education Day on April 17.

Mike to bring the 2-meter radio and antenna while Gary to provide power and handouts.

Old Business:

Gary announces that the Magnets are in. VP asked if they were ready for sale and Doug agreed to begin selling them in the meeting to follow at \$10 each.

New Business:

David N. suggested that we hold our board meetings on zoom. This would eliminate travel time to and from the Red Cross. We would not have to meet on Business meeting days. No action taken at this time.
