Look again at the preceding list of names and calls that identify people who will be the center of Amateur Radio Activities in Roanoke Valley for the next twelve months.

These activities are assembled for YOU the "Amateur Radio Hobbyist" by local "Amateur Radio Hobbyist"!!! Their energies, time, and often "out of pocket monies" are spent for your "Ham" pleasure -- and the only asked for "return" is that you attend these activities.

Retiring Club Officers: 1969-1969

President:	Bob Anderson - K4UMK
Secretary:	Bryant Walker - K4DYW
Treasurer:	John Ferrell - K4YZN
Equipment:	Buddy Cole - WB4IWH
Education:	Tom Lamons - WB4BLJ
Activities:	Van Wimmer - WA4BIX
Publicity:	Sam Kent - K4CEK
Editor W4CA Log:	Tom Lamons - WB4BLJ

NEWS ITEMS

.... We are grateful to Mr. Cameron Marshall for taking time out from his busy schedule to be our Guest Speaker at the September 26th meeting. Cameron is a Systems Engineer, Automated Process Control with Australian General Electric Pty. Ltd., out of Sydney, Australia.

Cameron's lecture was on Life In Australia and we enjoyed his talk very much. Everyone had questions to ask after his lecture.

Cameron plans to attend our Officer Installation Banquet at the Barn Dinner Theatre on Oct. 8th.

....The Roanoke Amateur Radio Club proudly congratulates the Lynchburg Amateur Radio Club, Lynchburg Repeater Assn., Virginia Side Band Net and all other "Hams" for public service during the recent James River flood.

.....The Richmond Amateur Radio Club is making plans to hold a Roanoke Division ARRL Convention in 1971.

.....Congratulations to Van Wimmer, WA4BIX, on becoming a Certified Professional Engineering Technician. This certificate is obtained by examination and experience, and is sponsored by the National Society of Professional Engineers.

.....Our Club had a large Amateur Radio Display at the GE Open House. This display consisted of a RTTY Station on MARS with FM phone operation and two teletype machines in operation; one for the operator and one for viewing by the visitors, one on 80 & 40 meters CW and one on 20 meters CW. Also, there was a teletype machine operating in a local loop from a TD tape machine printing a welcome message to the visitors and telling them where our Club House is located and inviting them to attend our meetings. There was also a 4 x 8 sheet of plywood painted up nicely with 60 rare QSL's on it and about 70 various Club photos, mostly of Field Day. Everyone seemed to take an interest in the display. Oh, yes, there was also this cute girl who gave away 1000 fliers for us advertising the Club and the hobby of Amateur Radio.

Club members who did work at the GE Plant on this display were: Bob Anderson, K4UMK, Sam Kent, K4CEK, Jimmy Williamson, WB4FWF, Hal Warrington, WN4OJI, Dave Warrington, WN4OJH, and Van Wimmer, WA4BIX.

The Widders News

THE "WIDDERS" MET AT THE CLUB HOUSE ON SEPTEMBER 12th, NINE MEMBERS WERE PRESENT.
